

## Mission, Vision, Core Values

The City of Bellevue has adopted a mission, vision and core values.

**Mission:** Provide exceptional customer service, uphold the public interest and advance the community vision.

**Vision:** Be a collaborative and innovative organization that is future focused and committed to excellence.

**Core Values:** The five essential and enduring principles that guide our individual actions, our interactions and our decision-making in the City of Bellevue organization are: exceptional public service, innovation, integrity, commitment to employees and stewardship.
